

## What Some of Our SLE Mentors Have Said

“Students are courteous and respectful. They are willing to provide assistance when requested and when they complete a task they will check to see how they can help next. Their assistance is greatly appreciated by all.”

“MCST students show great team work.”

“They are great with communication.”

“She's an amazing team player!”

“I really enjoyed working with . . .and . . . and am glad they continued to work and learn with us. I look forward to working with more individuals that may come my way from your great program.”

“All students have been a pleasure and asset to the department.”

“Respectful, and polite.”

“The students look forward to challenges.”

“Students are polite and provide excellent customer service.”

“Overall the four students I have mentored the past 3 years have been a benefit to my company.”

“We all loved . . . from the beginning and were so glad to have her as part of our team -- but she really rose to another level with how she handled what could have been a disaster. I am in her debt - and I still am in awe of her!”
